* Editing Note: Editing is not just cropping, adjusting color, brightness and contrast. It is dodging, burning, special effects and much more.

Portrait Shoot or Sitting w/16x20 Mounted Print

These sittings are typically scheduled months before the celebration. Several pictures will be taken. You receive a 16x20 of your favorite image and nine others images, will be edited and yours to keep as digital files.

This shoot is optional and only available for clients who have booked their event with me. The cost is *only* \$175, for on location shoots and *only* \$125 for in studio shoots.

Prints

Most packages come with a print credit. Additional prints can also be purchased, through me. However, you will receive rights to have prints made anywhere you would like.
